

## **UpLift Power Seat**

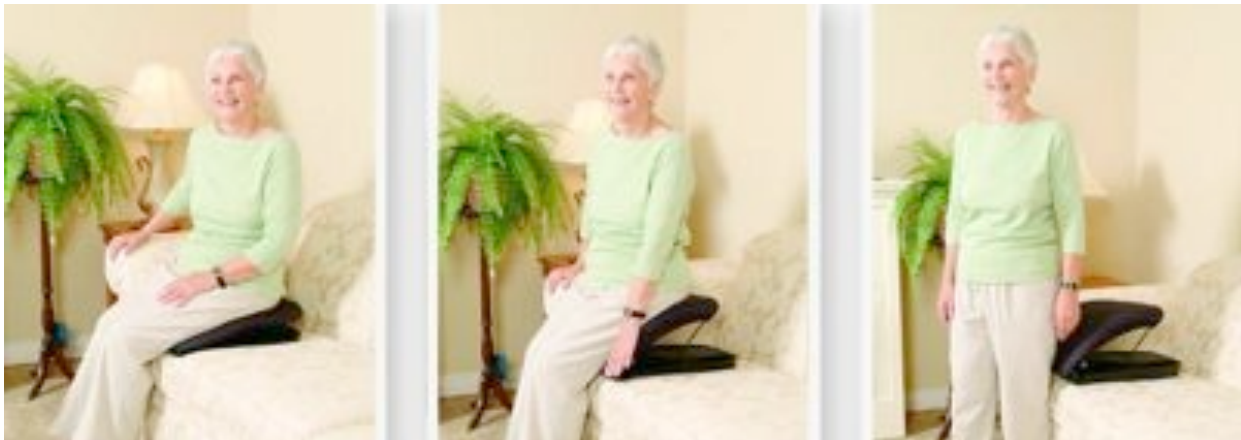

***Product SKU Number:*** PS1000

***Description:*** Uplift Power Seat is an electric-powered lifting seat that will lift you effortlessly from your favorite armchair or sofa. It is also easy to move from room to room inside your home. The Power Seat is easy to operate with a simple flick of the power lever, and you can stop at any time or height you want. It is designed for indoor use beside a power outlet, either at home, or wherever you are visiting. In the market place for electric mobility products, Uplift Power Seat is unique, adapting conveniently to your home furnishings and lifestyle. If you currently own a seat lift chair, Power Seat can serve as a valuable aid to your independence in other rooms of your home, or when you go visiting. The Power Seat is light weight (12 lbs./4.5 kg.) and supports 100% of the user's weight (up to 300 lbs or 136 kg).

### ***Product Features:***

1. CSA & C/US Approved: Power Seat CSA & C/US approved. 10ft (3m) power cord plugs into a standard 120 volt outlet.
2. Portable: Power Seat is easy to move from room to room, or take with you when you are visiting. The base is designed with a built-in carry handle.
3. Durable: The injection-molded base is made of durable polycarbonate, and covered with a non-slip material that prevents shifting on fabric seating surfaces.
4. Waterproof: The breathable fabric cover is waterproof and machine washable in cold water. Comes in black.
5. Easy Care: The foam cushion has a water resistant coating that can be wiped down with mild soap and water.
6. Safe: The flexible seat curves to a flat surface that lifts you up on a level plane. This patented LeveliftT design provides for a safe lift up, with no forward dumping motion. Patent # 5,316,370
7. Memory Foam: Slow-release memory foam helps protect against pressure sores and conforms to the shape of your body.
8. Easy to Use: Simply click the power lever up to rise, push down to lower. The middle position lets you stop at any time or height you desire.
9. Power Levers: Power Seat comes with two detachable power levers that can be used on either the left or right side on the cushion, according to your preference or need.
